A novelist wrote:

*"To unlock a society, look
at its untranslatable words".*

Look for untranslatable Greek
words then, and maybe,
just maybe, you will get
to the heart, to the very
essence of the Greek people.

"MERAKE", is one such word.

It means to do something,
with all your heart, with love,
with your very soul. It means
doing things with a passion.

That is how our company
designs and manufactures
lighting fixtures since 1967.

Based in Athens, Greece.
